

Code No.04-3409

## SPECIFICATION

2,2'-Diiodo-5,5'-dimethoxy-1,1'-biphenyl  
for Organic Synthesis

| REQUIREMENT                | SPECIFICATION                                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Appearance                 | White ~ pale yellow,<br>crystalline powder ~ powder<br>to pass test<br><br>under investigation<br><br>min.98.0% |
| Solubility in acetonitrile |                                                                                                                 |
| Water                      |                                                                                                                 |
| Assay (HPLC)               |                                                                                                                 |
