

Code No.05-0886

SPECIFICATION

Ergosterol Acetate for Vitamin E Determination

REQUIREMENT	SPECIFICATION
Appearance	White ~ nearly white, crystals ~ crystalline powder to pass test under investigation under investigation under investigation min.97.0%
Solubility in chloroform	
Melting point	
Specific rotation [α]D20(c=1,CHCl3)	
Loss on drying over silica gel in vacuum	
Assay (HPLC)
