## **SPECIFICATION**

## Epihesperidin Standard

for Crude Drugs Determination

REQUIREMENT	SPECIFICATION
Appearance Solubility in methanol	White $\sim$ pale brownish yellow, crystalline powder $\sim$ powder to pass test
Specific rotation [α]D20(c=0.05,CH3OH)	under investigation
Specific absorbance E1%1cm (284nm) (after drying) Loss on drying over silica gel	under investigation under investigation
Thin layer chromatography test	to pass test
Optical purity (HPLC)	min.99.0%
Assay (HPLC)	min.99.0%
