SPECIFICATION

Heptadecanoic Acid Standard

for Food Analysis

REQUIREMENT	SPECIFICATION
Appearance	White, crystals \sim crystalline powder
Solubility in diethyl ether	to pass test
Melting point	under investigation
Water	under investigation
Assay (volumetric analysis)	min.98.0%
Assay (capillary GC)	min.98.0%

(1 / 1) established on 2008/04/17
