

# SPECIFICATION

## Kresoxim-methyl Metabolite M9 Standard for Pesticide Residue Analysis

| REQUIREMENT           | SPECIFICATION              |
|-----------------------|----------------------------|
| Appearance            | White ~ pale brown, powder |
| Solubility in acetone | to pass test               |
| Water                 | under investigation        |
| Assay (HPLC)          | min.98.0%                  |
| Assay (qNMR)          | min.97.0%                  |
