

Code No.13-0606

## SPECIFICATION

### Methylparathion Standard

for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION   |
|--|---|
| Appearance                               | White ~ pale yellow,<br>crystals ~ crystalline powder<br>to pass test |
| Solubility in acetone                    |   |
| Loss on drying over silica gel in vacuum | max.0.1%  |
| Assay (capillary GC)                     | min.99.0%   |
| Assay (qNMR)                             | min.99.0%   |
