

Code No.14-1012

SPECIFICATION

N-Nitrosodiethanolamine Standard  
for Chromatography

| REQUIREMENT            | SPECIFICATION               |
|------------------------|-----------------------------|
| Appearance             | Pale yellow ~ brown, liquid |
| Solubility in methanol | to pass test                |
| Water                  | measured value              |
| Assay (capillary GC)   | min.95.0%                   |
