

SPECIFICATION

 γ -Oryzanol Standard
for Crude Drugs Determination

REQUIREMENT	SPECIFICATION
Appearance	White ~ slightly brown, crystalline powder ~
Solubility in acetone	powder to pass test
Specific rotation [α]D20(c=0.3,CH3COCH3)	+39~+46°
Loss on drying at 105°C	under investigation
Thin layer chromatography test	to pass test
Assay (molecular absorptiometric analysis)	min.97.0%
