

Code No.16-2532

SPECIFICATION

Polysucrose 400

for Immunochemistry

REQUIREMENT	SPECIFICATION
Appearance	White ~ slightly brown, powder
Limiting viscosity (after drying)	0.14~0.20
Solubility in water	to pass test
Specific rotation [α]D20(c=10,H2O) (after drying)	+53~+59°
Loss on drying at 105°C	max.5.0%
Average molecular weight	350000~550000
Bacterial endotoxins	max.1.6EU/g
