## **SPECIFICATION**

## Polysucrose 400

for Immunochemistry

REQUIREMENT	SPECIFICATION
Appearance	White $\sim$ slightly brown, powder
Limiting viscosity (after drying)	0.14~0.20
Solubility in water	to pass test
Specific rotation [ $\alpha$ ]D20(c=10,H2O) (after	+53~+59°
drying) Loss on drying at 105℃	max.5.0%
Average molecular weight	350000~550000
Bacterial endotoxins	max.1.6EU/g
